Hindi Notes - This process
of confirming the amounts
is referred to as reconciling
the bank statement, bank
statement reconciliation,
bank reconciliation, or
doing a "bank rec." The
benefit of reconciling the
bank statement is knowing
that the amount of Cash
reported by the company
(company's books) is
consistent with the amount
of cash shown in the bank's
records. Bank
Reconciliation |
Explanation |
AccountingCoach - At the
same time, you might have
issued some cheques that
have not come to the bank
for debiting. You have to
add back these items to
arrive at the correct figure.
This is the purpose of
preparing a bank
reconciliation statement. >
Use of a Bank Statement.
The bank statement would
give you information about
the funds available in your
account. Bank Statement
